

Kingfisher Lottery

Would you like to join the Kingfisher Lottery?

The Kingfisher Lottery is run by Team Kingfisher to raise funds for the school. Everyone that subscribes to the lottery is allocated a number which is put into a draw at the end of each month. The winner will receive 50% of the total money subscribed for that month and the remaining 50% will be donated to Team Kingfisher.

The more members we have, the greater the prize fund and the more money raised for school.

This year we are trying to raise enough money to build a new hydrotherapy pool at the school (as the old one is no longer fit for purpose). Hydrotherapy is very important as it supports children in a way that no other treatment can – and it really makes a difference to their quality of life. The therapeutic benefits of hydrotherapy include, improving and maintaining the range of joint movement, helping muscles to relax, helping to relieve pain and reducing pressure on weight bearing joints whilst engaging in exercise.

If you would like to join, please complete the slip below and return it to the school office along with your payment.
