

Swimming

This year 46% of Year 6 children have accessed swimming lessons at the local swimming pool. Of the children attending the lessons, 56% have achieved grade 1 or above. 19% have achieved their 25 metre award and 13% have achieved their water safety award. 30% of Year 5 children have also attended swimming lessons with 23% achieving grade 1 or above. 12% have achieved their 25 metre award.

Any children in Year 6 who are unable to access the local pool, due to severity of need or medical conditions, are given the opportunity to access the school's hydro pool on a weekly basis. Sessions are planned to support children to develop confidence in and around water. Classes have the flexibility to use this session in the most appropriate way for their learners, this can be whole class, small group or as 1:1 sessions. Children gain confidence in the water and develop pre-swimming skills. 100% of Year 6 children have access to swimming lessons at the local pool or in the school's hydro pool.
